

# Ghostrider

## Simple Minds

Shadows in your room  
Like a ghost you never see  
Look in to the one you love if you're afraid of me  
Ghettos in his eyes  
He plays a torch song melody  
Listen to the one you love if you're afraid of me  
Ghost rider  
E S P  
Paperback rider  
You can't fool me  
When all is said and done  
Babylon was meant to be  
Shitting on the one you love if you're afraid of me  
He's got the wild dog in his eyes  
He's got a speedball in his brain  
Running through the roads of love like a marathon man  
Ghost rider  
E S P  
The devil inside her  
Don't want it to be  
Yeah the ghost rider  
E S P  
A paperback rider  
Deep down in his soul  
Every little boy knows  
The he can't stop running so go  
Look out  
There's been a shoot out for love  
I've got the shivers of love  
Ghost rider  
E S P  
The devil inside her  
I don't want it to be  
Ghost rider  
E S P  
She's got the devil inside her  
Oh no you can't  
You can't fool me  
Oh no you can't  
You can't fool me  
Oh no you can't  
Yeah the ghost rider  
E S P  
Oh paperback rider  
Oh no you can't fool  
Oh no you can't fool
