

The Things We've Handed Down (Live 1992)

[Marc Cohn](#)

Don't know much about you
Don't know who you are
We've been doing fine without you
But, we could only go so far
Don't know why you chose us
Were you watching from above
Is there someone there that knows us
Said we'd give you all our love Will you laugh just like your mother
Will you sigh like your old man
Will some things skip a generation
Like I've heard they often can
Are you a poet or a dancer
A devil or a clown
Or a strange new combination of
The things we've handed down I wonder who you'll look like
Will your hair fall down and curl
Will you be a mama's boy
Or daddy's little girl
Will you be a sad reminder
Of what's been lost along the way
Maybe you can help me find her
In the things you do and say And these things that we have given you
They are not so easily found
But you can thank us later
For the things we've handed down
