

Telecide

The Tubes

Listen boys and girls about the other world

It's just a day job

Night job

Odd job

Nose job

Hand job

Blow job

Rack job

Snow job

Boring 9-to-5 job

Rather have a knob job

Things get too inertial, no time for commercials

I'd rather be a clone, I guess I'm going home

To visit Kojak

Gong Show

Happy Days

Adam-12

Edge Of Night

Love Of Life

Merv and Mike

Good Times

Make A Deal

Charlie's Angels

Family Feud

Feeling so much thinner, I need a TV dinner

I'm mad as hell and I'm not going to take it anymore

TV suicide

TV suicide

What a lovely way to die

It's a television suicide

Please stand by, we're coming to you live

'Cause we got news

Hot news

Flash news

Trash news

Funny news
Stupid news
Comprehensive overviews
Eyewitness TV news
Brought to you by Gucci shoes

This one is so juicy, we're pre-empting Lucy

Coming down the street, the sound of running feet

He's at the front door

Back door

Side door

Cellar door

First floor

Second floor

Third floor

Bedroom door

Throws himself across the floor

Turns it on to Channel 4

Stay tuned to this channel for our all-star panel
I used to know him, he seemed like a regular guy

TV suicide

TV suicide

What a lovely way to die
It's another case of telecide

TV suicide

TV suicide

What a lovely way to die
It's a television suicide

TV suicide

TV suicide

What a lovely way to die
It's another case of telecide

TV suicide

TV suicide

TV suicide

TV suicide

What a lovely way to die
It's a television suicide
