Let me see your body and your soul
And you boom boom shake it
Wham wham wham are you ready...
When you bring me boom and me crack and the wine
Some like it ganja, some the LSD
Me offer you maxximum extacy
We all like the music, at the party
We offer you maxximum extacyWhat me Lord
We do it a raggamuffin with a different style
The maxxamuffin you see
Me-la-Maxx Me-la-Maxx Me-la-Maxx-Maxx
Me-la-Maxx Me-la-Maxx Me-la-Maxx-Maxx
Maxximum extacyMaxximi the maxximum yo dillie doom dam dee
We want you to rise and to feel irie
... the night with you sweet darlin'
We offer you maxximum extacy
Maxximi the maxximum yo dillie doom dam doo
Make you open up and jump like a kangaroo
Make you puff, raggamuffin with ...?
We offer you maxximum extacy
