

Showdown

Rose Hill Drive

It's a showdown!
And the winner lives
It's a lowdown!
Dirty game of wits

Some people fight for women or gold
I fight this chip on my shoulder

In the ghost town
People know my name
And my women
Spend my money if I lose my aim
It could be any day

Some say it's the end of the road
I say it's a roller coaster

Some people fight their women and gold
I curse this chip on my shoulder
