

# Hang On in There Baby

Johnny Bristol

Hmmm! Hmmm! Yeah! Oh! Baby! Hmmm!  
Hang on in there baby  
Give me love tonight  
Don't be afraid baby You know we can't help but make it oh my love  
You know we can't help but make it  
Now that we've caressed a kiss so warm and tender  
I can't wait till we reach that sweet moment of surrender Oh we'll hear the thunder roar, feel the lightning strike  
At a point we'll both decide to meet at the same time tonight Hang on in there baby, hang on in there darling  
I'm gonna give you more than you ever dreamed possible Don't be afraid baby sweet virgin of the world  
You know we can't help but make it  
Because there's true love between us girl  
Hmmm! so let us touch that cloud that everyone dreams of  
Oh we're almost there darling truly making love Hang on in there baby, please don't let me down  
Please don't destroy this new joy What's that now baby, what's that you say  
Something's eating at you and it's hard to get away  
Oh don't fight it baby just open up the door  
Because that's the key to the freedom that we've both been working for Let it go baby, let it go darling, oh! right  
there, right there  
Baby don't you move it don't you dare  
Go baby let it go honey oh right there baby don't you move it anywhere Give it a stand (x3) up now fashion  
Give it a jump (x3) up  
Give it a jam (x3) give it a pull  
Give me a love (x2) give me a little love Hang on in there baby, hang on in there darling  
Hang on in there now  
I'm gonna give you more than you ever dreamed possible Hang on in there darling  
Hang on in there baby hang on in there baby  
Please don't let me down hold it down  
Please don't destroy this new joy  
New joy we've found, new joy we've found
