Sweet Surrender

David Gates

Baby I'm through runnin' it's true
I'd be a fool to try to escape you
Maybe I'm beat but oh what a sweet surrenderYou keep your rights, I'll take your nights
No one can lose when we turn the lights out
Tastin' defeat, lovin' that sweet surrenderI'm givin' up myself to you but I didn't really lose at all
I gave the only love I've known and it never hurt me to fallNow that it's done, so glad you won
I know our lives have only begun now
No more retreat, only my sweet surrender
