Good & Evil

Grand Funk Railroad

All the Bastards coming out
I feel the urge to scream and shout
(way where I've been) so I can do it all again
(Its Gonna be a pure, blood), its so nice, evilI can feel it commin' down
It can be all commin' round
good and evilI can feel it commin' down
its gonna feel nice to be so good and evil
(Scream)
hero's come and go its like another all night show
i saw the good guy on the floor, the man was heading out the door
does anybody hear, fear its so nice, evilI can feel it commin' down
could it be a commin' round
good and evilI can feel it coming down
I'm gonna feel so nice, to be good and evil
(Scream)it's a good day(guitar)
(Scream's, more guitar)
Does anybody hear have, fear it so nice
Does anybody hear have, fear it so nice
Does anybody hear have the fear it so nice
(yaellll)
