You Know I Love You

[B.B. King](#)

Now Darlin' you know I love you
And love you, for myself
But you're gone, and left me for someone elseI think of you, every morning
And dream of you, every night
And I would love to be with you alwaysWhen night began to fall
I cry, alone
And I wish, I could hold you in my arms tonightOh, darlin', you know I love you
And love you, for myself
But you're gone, and left me for someone else
