

# I Done Lost My Good Thang

Terry Wright

I done lost my good thang  
Yes, I have  
I done lost my good thang  
Yes, I done lost my good thang

Came home this morning  
From a late night in the street  
Everything in my home was gone  
She done finally left me  
I should've known this day was coming  
By the way I've been carrying on  
But this is what can happen  
When you do your woman wrong  
The only thing she left  
Was a note on the bedroom door  
Saying  
Don't bother looking for me  
I'm not coming back no more

I done lost my good thang  
Yes, I have  
I done lost my good thang  
I done lost my good thang  
Yes, I have  
I done lost my good thang

You see I got greedy  
Couldn't leave, well another alone  
Temptation got a hold on me  
I started to stand away from my home  
I was trying to keep it a secret  
And be real discreet  
But everything I done in the dark  
It came out in the street  
I didn't believe her  
I didn't think she'll go  
She said  
If you don't think I'm leaving

Just count the days I'm gone

I done lost my good thang

Yes, I have

I done lost my good thang

I done lost my good thang

Yes, I done lost my good thang

Two months later

While I was out riding around

Saw my baby with another man

She was out on the town

So I pulled over, saying

I don't mean no harm

I just wanna apologize

For the wrong that I've done

She said

You don't have to say you're sorry

I want you to understand

If you hadn't done me wrong

I would have never met this man

You done lost your good thang

Yes, you have

You done lost your good thang

Yes, I done lost my good thang

Yes, I done lost my good thang

Yes I have

I done lost my good thang
