

Slaves of Yesterday

Arch Enemy

Monuments of dying dreams
As far away as Eden
These hours standing still
Finding comfort in a distant pastSlaves of yesterday
You are blind
Blind to the sunriseA roaming spirit, forever lost
Among the living
Walking down the fatal road
Cursed to be left behindSlaves of yesterday
You are blind
Blind to the sunriseSlaves of yesterday
Slaves of yesterdaySlaves of yesterday
You are blind
Blind to the sunrise
Blind to the sunrise
