Save Yourself

8mm

I know, it's too late tonight
To start a fight.
I thought maybe just one more
And we could end
It all
Didn't think it'd be this hard
Didn't look like so far to fall

Oh, I can't save myself
So, what am I supposed to do
With you?

If you left,
So long ago why are you still here pushing me around?
You're a trick of light
An illusion, siren song
Crashin' me upon the rocks
Now I'm breaking, broken and you
Want to talk

Oh, I can't save myself
So, what am I supposed to do
With you?

When I think about it
Can I even doubt it?
It kills me how we hold on
When I think about it
How can I doubt it?
We're missing something we never owned
Oh hindsight's blind

Oh, I can't save myself
So, what am I gonna do
Without you oh without you
Oh, I can't save myself
So, what am I gonna do
Without you?

Without you

Without you
Without you
