

Mannequin with a Megaphone

Cameron Johnson

Mannequin With a Megaphone

Well look at you standing there
The cameraâ€™s blushing at your charming stare
Youâ€™ll say anything to swing our eyes toward you

You change your tune â€™til we dig the sound
Youâ€™ll sell your soul to the lost and found
Cross your fingers and swear youâ€™ll tell the truth

Well go ahead and talk all you want but you ainâ€™t gettinâ€™ through

You blaze a trail from state to state
Sharpen your tongue for the next debate
Kiss a baby or two for the evening news

Well go ahead and talk all you want but you ainâ€™t gettinâ€™ through
Yeah go ahead and talk all you want but you ainâ€™t gettinâ€™ through

Youâ€™re like aâ€

Mannequin with a megaphone a big pine fallinâ€™ in an empty forest
And you ainâ€™t makinâ€™ a sound â€™cause weâ€™ve quit listeninâ€™ to you
Youâ€™re like a broken record in a waxy groove
Youâ€™ve got a lot to say but more to prove
And youâ€™ve lost your voice weâ€™ve quit listeninâ€™ to you
Well go ahead and talk all you want but you ainâ€™t gettinâ€™ through

Youâ€™d sell your mama if you had the chance
Deny the proof of your secret romance
With your feet to the fire youâ€™ve been playinâ€™ it cool

Flippinâ€™ channels but whoâ€™s to say
On one youâ€™re a sinner and the other a saint
Youâ€™re playing us like weâ€™re the mediaâ€™s fool

Well go ahead and talk all you want but you ainâ€™t gettinâ€™ through
Yeah go ahead and talk all you want but you ainâ€™t gettinâ€™ through

And youâ€™re like aâ€¦

Mannequin with a megaphone a big pine fallinâ€™ in an empty forest

And you ainâ€™t makinâ€™ a sound â€˜cause weâ€™ve quit listeninâ€™ to you

Youâ€™re like a broken record in a waxy groove

Youâ€™ve got a lot to say but more to prove

And youâ€™ve lost your voice weâ€™ve quit listeninâ€™ to you

Well go ahead and talk all you want but you ainâ€™t gettinâ€™ through

Yeah go ahead and talk all you want but you ainâ€™t gettinâ€™ through
