

All the Way

Ky-Mani Marley

When u come around I get the chills on me,I feel Imma lose it when u touch
on me. Yeah yeah yeah.
I know I will. And I guess u might be something special cause you do
me so right and without hesitation
you can do me all night. Yeah yeah yeah.Without no second guessing.
U can have it your way & pretend like it's ur birthday
& we ain't gotta plan it.
Just do it just do it
With u I'll go all the way x2
See don't nobody know everything that we've been thru no
they dont understand all the ways I need u...o
all the way..ahhhh
Let's entertain loving one another till we're wrinkled and
old and right now
I just wanna make u lose ur clothes.
yeah yeah yeah ... u know I do
Now Tell me what u want to do to me with ur eyes ...give it to me baby and
take me by surprise.ya
Show me the time of my life
U can have it your way & go out like it's ur birthday and
we ain't gotta plan it,
just do it do it
cause with you I'll go all the way, with you I'll go all the way
See don't nobody know everything that we've been through,
no one will understand all the ways I need you...
Baby I'll go all the way
Make this last
Forever
Don't forget to hold me closely,
don't hesitate to put your body on me. Whoa
Come make this last forever
You can have it your way, everyday like it's your birthday
WithYou I'll go all the way x 4
