Is This It

Asaf Avidan

Can't you see I'm trying?
I don't even like it. I just lied to
Get to your apartment, now I'm staying
Here just for a while
I can't think 'cause I'm just way too tired

Is this it?
Is this it?
Is this... it?

Said they'd give you anything you ever wanted
When they lied, I knew it was just stable children
Trying hard not to realize I was sitting right behind them

Oh dear, can't you see? It's them it's not me
We're not enemies; We just disagree
If I was like them all pissed in this bar
He changes his mind, says I went too far
We all disagree
I think we should disagree, yeah

Is this it
Is this it
Is this it

Can't you see I'm trying?
I don't even like it. I just lied to
Get to your apartment, now I'm staying
Here just for a while
I can't think 'cause I'm just way too tired
