

Sabbra Cadabra

Black Sabbath

Feel so good I feel so fine
Love that little lady always on my mind
Gives me lovin' every night and day
Never gonna leave her, never goin' away Someone to love me
You know she makes me feel alright
Someone who needs me
Love me every single night Feel so happy since I met that girl
When we're making love it's something out of this world Feels so good to know that she's all mine
Going to love that woman 'til the end of time Someone to live for
Love me 'til the end of time
Makes me feel happy
Good to know that she's all mine Lovely lady make love all night long
Lovely lady never do me wrong
I don't wanna leave ya
I never wanna leave ya,
Anymore no more
Lovely lady, mystifying eyes
Lovely lady, she don't tell me no lies
I know I'll never leave ya
I'm never gonna leave ya anymore no more
