

# Gotcha

## The Krontjong Devils

You ran around like a hotshot  
It was a matter of time  
I always said I would get ya  
And sooner or later I'd make you mine  
Stop playin' this game with me  
You know it drives me insane  
You know you're just what I needed  
I couldn't wait to take you away  
Gotcha, where I want ya  
Gotcha, yeah it's so true  
Gotcha, where I want ya  
I g-g-g-gotcha, g-g-g-gotcha  
Our love could be dangerous  
It makes me tremble inside  
I'm gettin' tired of chasin' you  
Baby you can run but you can't hide  
Gotcha, where I want ya  
Gotcha, yeah, by the jewels  
Gotcha, where I want ya  
I g-g-g-gotcha, g-g-g-gotcha  
I got you but you don't know it  
I got you but you don't know it  
I g-g-g-gotcha  
I g-g-g-gotcha  
G-g-g-gotcha, g-g-g-gotcha
