Still

Longview

Signs reading so bold and clear
So bold and clear
Warning signs appearin' here
Is it near?And I still want it
And I'm still on it
And I still want it
And I still want itBells ringin' so loud in here
So loud and clear
Uncertain times are near
And I fearAnd I still want it
And I'm still on it
And I still want it
And I still want itYou and I collapsed and died
A thousand times already
You and I collapsed and died
But never stopped and noticedGood times are coming
Good times are coming
Good times are coming
Good times are comingStill want it
(Good times are coming)
And I'm still on it
(Good times are coming)
And I still want it
(Good times are coming)
And I still want it
(Good times are coming)
