

# What Did You Expect Me To Do

[George Strait](#)

Sometimes I smile  
When you stayed home for awhile  
What did you expect me to do  
I always cry each time you told a lie  
What did you expect me to do?  
Each time I forgave you, you grew bolder  
And each time you hurt me my heart grew colder

Sure, I love you but I found someone new  
What did you expect me to do?  
Each time I forgave you, you grew bolder  
And each time you hurt me my heart grew colder  
Sure, I love you but I found someone new  
What did you expect me to do?
