

Tom Tom (Stereo Mix)

The Creation

Tom Tom na na na na na
run run get your gun
Tom Tom na na na na na
bang bang you spoiled the party
Tom Tom the piper's son
kissed the girl and made them run
lambs run away from little Mary
woke sleeping beauty scared the fairy
Tom Tom na na na na na
run run get your gun
Tom Tom na na na na na
bang bang you low down thing
Tom Tom stabbed the hatter
hear them feet pitter patter
Miss Muffet, jack and Tilly
simple Simon was acting silly
Tom Tom na na na na na
run run get your gun
Tom Tom na na na na na
bang bang you spoiled the party
Tom Tom the village green
hang man was Jack the Bean
took away his forty five
Jack horner threw his custard pies
Tom Tom na na na na na
run run if you can
Tom Tom na na na na na
hang hang now your dead
Tom Tom na na na na na
Tom Tom na na na na na
