

# Nothing Can Change That

## The Secret Handshake

Cause all i've ever really wanted  
Was just to get out of this town  
And get away from our parents, baby  
Cause they always kept me down And all i've ever really wanted  
Was just to move away with you  
And fall in love by the beach, the sun is shinin  
I think that you like it too whaooh I love you, I love you, I love you whoa  
Nothing can change that, fact  
I love you, I love you, I love you whoa  
And every time I look in your eyes  
nothing can change that Cause all i've ever really wanted  
Is just to sing this song for you  
So you can know how i've been feeling lately  
And i'd think that you'd like it too  
Lets get away from your parents  
And i'll get away from my own  
Cause where we're going  
Nothing can stop us  
And i'll never leave you alone whaooh I love you, I love you, I love you whoa  
Nothing can change that, fact  
I love you, I love you, I love you whoa  
And every time I look in your eyes  
[x2] I never want this to end  
I never want this to slow  
And every time I think  
I think that you should know  
How I really feel  
How I really feel  
how I really feel  
[x2] I love you, I love you, I love you whoa  
Nothing can change that, fact  
I love you, I love you, I love you whoa  
And every time i look in your eyes I love you, I love you, I love you  
whoa  
Nothing can change that, fact  
I love you, I love you, I love you  
whoa  
And every time I look in your eyes  
Nothing can change that
