

# Big Area (Instrumental)

## Then Jerico

I was taken by surprise  
I was shattered by your eyes Living far beyond my means  
Do you know how that feels?  
I was waiting for so long  
I was praying to belong Only holding out to see and believing there's only one  
Strong enough and hard enough to give you away. In this big area of mine  
Sometimes you break me up inside Saying I  
I want to let you go  
Got that feeling  
If anyone who comes to know you long enough will give you away. There was never one as I who could stand  
the reasons why Who would even take the time  
Did you care  
Was I right?  
Only once did you try  
Even then it was hard enough  
Just for you to realize or believe there was only one  
Strong enough and hard enough to give you away. In this big area of mine  
Sometimes you break me up inside In this big area of mine. sometimes you break me up inside Sometimes you  
break me up inside  
In this big area of life Saying I  
I want to let you go  
Go that feeling  
If anyone who comes to know you long enough will give you away. I was taken by surprise  
I was shattered by your eyes Breaking down something so right and so fine.
