

# Enlightenment

[Van Morrison](#)

Chop that wood, carry water  
What's the sound of one hand clapping  
Enlightenment, don't know what it is Every second, every minute  
It keeps changing to something different  
Enlightenment, don't know what it is  
Enlightenment, don't know what it is  
It says it's non attachment  
Non attachment, non attachment I'm in the here and now, and I'm meditating  
And still I'm suffering but that's my problem  
Enlightenment, don't know what it is Wake up Enlightenment says the world is nothing  
Nothing but a dream, everything's an illusion  
And nothing is real Good or bad, baby  
You can change it anyway you want  
You can rearrange it  
Enlightenment, don't know what it is Chop that wood and carry water  
What's the sound of one hand clapping  
Enlightenment, don't know what it is All around, baby, you can see  
You're making your own reality, everyday  
Because enlightenment, don't know what it is One more time Enlightenment, don't know what it is  
It's up to you  
Enlightenment, don't know what it is  
It's up to you everyday Enlightenment, don't know what it is  
It's always up to you  
Enlightenment, don't know what it is  
It's up to you, the way you think
