Color - Boration

Smiling Horse

Color - Boration.

I wanna say my mind is filled with pleasure.
I wanna say my soul can heal the world
Thereâ€™ so much tears and there ain't no correction.
My mother nature knows â€˜ I,m here son.

Color boration Color formation.

There ainâ€™t no stones in satisfaction
There walking beetles on the ground
My love grows out in there connection.
Its hard to believe, I,m the smiling horse.

Color boration Color formation.

Why people donâ€™t understand.
The meaning of life
Is the reason of all.
In my heart there ainâ€™t no protection.
We are the world.
You are the one

Color boration Color formation

Color boration Color formation
Can be our nation .
