

# Only What You Make Of It

## Little Big Town

You're like everybody else  
Gotta deal with what you're dealt  
You choose the story that you tell  
Blame the world or blame yourself  
Sometimes life comes at you hard  
And it's easy to let it drag you down  
Yeah, I get it, it's a mess  
It's a struggle, it's a test  
But can you find a place to rest  
In a house of bitterness?  
Just 'cause it ain't what you planned  
Don't mean it ain't what it oughta be  
'Cause it's only what you make of it  
Yeah, it's only what you make of it  
Yeah, it's only what you make of it  
And you make it so hard on yourself  
What you do and what you won't  
What you will and what you don't  
What you take and you give up  
What you're risking when you love  
Bet you where you're looking from  
If you walk or if you run  
You take the long way there  
'Cause it's only what you make of it  
Yeah, it's only what you make of it  
  
Yeah, it's only what you make of it  
And you make it so hard on yourself  
You go looking for the darker side of anything  
You know you're gonna find it  
You can hold on to it till it takes you under  
Or you can let it go, oh, let it go  
No, it ain't all your fault  
No, it isn't right  
It ain't always fair  
But it's only what you make of it  
Yeah, it's only what you make of it  
Yeah, it's only what you make of it  
And you make it so hard on yourself

You make it hard  
It's only what you make of it  
It's only what you make of it  
It's only what you make of it  
Only what you make of it  
Yeah, it's only what you make of it  
Only what you make of it  
It's only what you make of it  
Only what you make of it  
It's only what you make of it  
Only what you make of it
