

Fly Away

Pop Evil

What is it for, when they tell you lies,
Baby what is it for?
Got one foot out the door
Just like before when you been denied,
Baby just like before
I got your name
For all I know today

I'm gonna fly away, looking for more
Cause you're giving me nothing
I'm so close, what is it for?
What is it for?

Just let it burn; don't keep it inside,
Baby just let it burn.
Got one foot out the door
There's no return from passion or pride.
Baby there's no return
I got your name
For all I know today

I'm gonna fly away, looking for more
Cause you're giving me nothing
I'm so close, what is it for?
What is it for?

What is it for? Go live your life
Baby what is it for?
Got one foot out the door
What is it for? Go live your life
Baby what is it for?
I got your name

For all I know today
For all I know today
For all I know today

I'm gonna fly away, looking for more
Cause you're giving me nothing
I'm so close, what is it for?

What is it for?

I'm gonna fly away, looking for more

Looking for more

I'm gonna fly away; what is it for?

What is it for?
