Just Like We Do

Sleaford Mods

Yes, yes, yes
Come to listen to some rustic noise from 1982
Recorded in the Black Forest of Germany
Yes, yes
And I'm going to twizzle beard
Yes, I'm going to do that
Yes, 'cause, you know, I used to be someoneBlah
Punk's not dead
Well, it is now or does no one care about you?
Given half the chance you'd walk around like twat just like we do
If I wanna go to that awards do
Don't get arsey 'cause the organizers didn't invite you
Pisshead knocking out half-cut ideas
Pretentious little bastard on social medias
Pisshead knocking out half-cut ideas
Pretentious little bastard on social medias
Just like we do, just like we do
Given half the chance you'd walk around like twat just like we do
Just like we do, just like we do
Given half the chance you'd walk around like twat just like we doI don't give a fuck what you did back in the day
What you're doin' now is useless
You just drink too much, mate
Funny how fucking England hates any success
I know the feeling, dickhead, 'cause I used to be one of themJust like we do, just like we do
Given half the chance you'd walk around like twat just like we do
Just like we do, just like we do
Given half the chance you'd walk around like twat just like we doThe plated little words, the little zesty pit
You and your mates are experts, you get on my fucking tits
The plated little words, the little zesty pit
You and your mates are experts, you get on my fucking tits
Just like we do, just like we do
Given half the chance you'd walk around like twat just like we do
Just like we do, just like we do
Given half the chance you'd walk around like twat just like we do
