# Oceans

## Chad Price

Sitting here waiting on love that keeps fading,
But I am not alone,
Everybody knows how the story goes,
Anything worth having is worth waiting for,But then these feelings begin,
Tides roll out,
Tides roll in,
The way the moonlight hits your skin,
It makes me wanna jump right in,I've been looking for someone just like you,
I've been looking for a new point of view,
When it comes to love, you've dipped your toes in the river,
But I've got oceans waiting for you,
Been waiting for you,
I'm just a wanderer,
On a road of my own,
They say the fishing's best where the fewest go,
That's where I met you and that's where I rooted my soul,
Walking by the water's edge with you feels like homeBut then these feelings begin,
Tides roll out,
Tides roll in,
The way the moonlight hits your skin,
It makes me wanna jump right in,I've been looking for someone just like you,
I've been looking for a new point of view,
When it comes to love, you've dipped your toes in the river,
But I've got oceans waiting for you,Then these feelings begin,
Tides roll out,
Tides roll in,
I've been looking for someone just like you,
I've been looking for a new point of view,
When it comes to love, you've dipped your toes in the river,
But I've got oceans waiting for you,
(X2)Oceans of love
