

Forgive and Forget

Jeri Southern

Forgive and Forget
-Jeri Southern

Forgive and forget, or my heart will
be broken.
Donâ€™t take your love from me.

Forgive and forget all the angry words spoken.
Blame them on jealousy.

If I hurt you, Iâ€™m sorry. I need your tender touch, and Iâ€™ve only been guilty of loving you too much.

Forgive and forget, or weâ€™ll live to regret that we ever said goodbye.

If I hurt you, Iâ€™m sorry. I need your tender touch, and Iâ€™ve only been guilty of loving you too much.

Forgive and forget, or weâ€™ll live to regret that we ever said goodbye.
