

See a Little Light (Acoustic)

Belinda

Stay alone in my room, every moment passing too slow,
Watch the candles
Burn into the night
Fall into a dream, wake up and everything's the same,
A second older, but alone, just
Like a child
If you just give me a sign, to live and not to die[Repeat: x2]
Then I can see a little light,
I can find a piece of mine,
I don't know where you are, maybe
Near or maybe far, I just need a little light
Here a clock ticking on a 'riding hood have meaning'
If I could find the love like in your eyes
See a million people, everyone's so lonely
But we don't have to be alone tonight You, you, lalala a you a
If I could see a little light,
If I could find some piece of mine,
If you just give me a sign
I can see a little ligh, I don't know where you are, maybe
Near or maybe far, I just need a little light
Stay alone in my room, every moment passing too soon,
Watch the candles burn into the night
