Serpentia

Danzig

My little girl
Won't you shed your skin
Little goddess
Why don't you slither in
It's a bold new world
Exploring sin
It's a bold new thrill
Why don't you come on in
Seductive snakegirl
Why don't you shed your skin
Seductive snakegoddess
Let the crawling begin
Crawl inside your skin
Crawl inside your skin
My little snake
C'mon shed your skin
Shiny cobra
Won't you crawl on in
Seductive snakegirl
Why don't you shed your skin
Shiny cobra
Won't you crawl on in
Seductive snakegirl
Why don't you shed your skin
Seductive snakegoddess
Let the crawling begin
Crawl inside your skin
Crawl inside your skin
