

On the Floor

Natalia Damini

Set your body free I know you wanna
C'mon Let it go lemme see
Ven conmigo ven y danzaCuz tonight you know your body is only mine
I know that you love it
Papacito you're so fineI don't care it's only you and I
Ahora tu estas en mis manos I'm ready for tonight
Cuz you're gonna dance and all my girls are do ready
I see that you are all over there looking for meC'mon baby I want you
Going down on the floor
Baby all I can see you you
Going down on the floor
I just wanna be with you
Going down on the floor
All I wanna is you
All I wanna is youC'mon baby I want you
Going down on the floor
Baby all I can see you you
Going down on the floor
I just wanna be with you
Going down on the floor
All I wanna is you
All I wanna is youAll I wanna is you
All I wanna is youAll I wanna is youSet your body free I know you wanna
C'mon Let it go lemme see
Ven conmigo ven y danzaCuz tonight you know your body is only mine
I know that you love it
Papacito you're so fineI don't care it's only you and I
Ahora tu estas en mis manos I'm ready for tonight
Cuz you're gonna dance and all my girls are do ready
I see that you are all over there looking for meC'mon baby I want you
Going down on the floor
Baby all I can see you you
Going down on the floor
I just wanna be with you
Going down on the floor
All I wanna is you
All I wanna is youC'mon baby I want you
Going down on the floor
Baby all I can see you you

Going down on the floor
I just wanna be with you
Going down on the floor
All I wanna is you
All I wanna is youAll I wanna is you
All I wanna is youAll I wanna is you
