Odd Man Out

Saga

You are who we say you are
We know you know who we are
I know!
They don't think I understand
When I'm not feeling like myself
That's why I leave when I can
Taking the odd man out
Now and then I have the feeling
They're just outside looking in
When I'm surrounded by these strangers
I feel like the odd man out (here I am)
You are who we say you are
Why can't you leave me alone?
We know you know who we are
Why won't you tell me what you
Want from me?
I hear them having conversations
But they keep it to themselves
And half the time they can't remember
Who is the odd man out
I have so many mixed emotions
Is this life I live my own?
I hear them whispering my name
Am I the odd man out?
[Chorus]
Who am I to be this time?
Am I on my own?
Tell me who you see or do you know?
Who am I to be this time?
Make me feel at home
Don't let me spend too much time alone
Too much time alone
[Repeat Chorus]
They don't think I understand
When I'm not feeling like myself
That's why I leave when I can
Taking the odd man out
