

# Fantasy (Shelter DJ Mix)

## Earth, Wind & Fire

Every man has a place, in his heart there's a space,  
And the world can't erase his fantasies  
Take a ride in the sky, on our ship fantasii  
All your dreams will come true, right away And we will live together, until the twelfth of never  
Our voices will ring forever, as one Every thought is a dream, rushing by in a stream,  
Bringing life to our kingdom of doing  
Take a ride in the sky, on our ship fantasii  
All your dreams will come true, miles away Our voices will ring together until the twelfth of never,  
We all, will live forever, as one Come see victory, in the land called fantasy  
Loving life, a new decree,  
Bring your mind to everlasting liberty Our minds will explore together, old worlds, we conquer, forever  
We then, will expand love together, as one Come to see, victory in a land called fantasy,  
Loving life, for you and me, to behold, to your soul is ecstasy  
You will find, other kind, that has been in search for you,  
Many lives has brought you to  
Recognize it's your life, now in review  
And as you stay for the play, fantasy, has in store for you,  
A glowing light will see you through It's your day, shining day, all your dreams come true  
As you glide, in your stride with the wind, as you fly away  
Give a smile, from your lips, and say  
I am free, yes I'm free, now I'm on my way
