Soothe you
And please youI Love you
Until these days are gone

Until these days are gone'Cause I'll always Love
You

Let me ease your pain
Let me ease ya
Ease your pain
Let me ease ya
'Cause I'll always Love you
I'll always Love you
I said let me ease your pain
Let me ease ya
I said let me ease your pain
Let me ease yaI'll reveal to you all I see
All I see, all I see
Show you the way
Let me free you
With the warmth of the rising sun
Free you
With the warmth of the rising sunCause I'll always Love
You

'Cause even though you break my heart
My wretched soul won't forsake me
Won't forsake me
Yeah
Cause even though you break my heart
Don't forsake me
Always

Lift me high
Lift me high
Lift me high
Take me high

Don't forsake me
Don't forsake me

Only one that Loves me
Only one that Loves me
Only one to hold me
Ease my pain
