Drifting

Pearl Jam

Drifting, drifting, drifting away
I got myself a mansion, then I gave it away
It's not the world that's heavy, it's just the things that you save
And I'm drifting, drifting awayDrifting, drifting, drifting along
I rid myself of worries and my worries were gone
I only run when I want to and I sleep like a dog
I'm drifting, drifting alongThe suitcoats say there is money to be made
They get so excited, nothing gets in their way
My road it may be lonely just because it's not paved
It's good for drifting, drifting away, alrightThe suitcoats say there is money to be made
They get so excited, nothing gets in their way
My road it may be lonely just because it's not paved
It's good for drifting, drifting awayDrifting, drifting, drifting, uh huh
I feel like going back there but never for long
I sometimes wonder if they know that I'm gone
I'm drifting, drifting alongDrifting, drifting along
Drifting, drifting along
