

A Long December

Bayside

A long December and those reasons to believe
Maybe this year will be better than the last
I can't remember the last thing that you said as you were leaving
Now the days go by so fast And it's one more day up in the canyon
And it's one more night in Hollywood
If you think that I could be forgiven
I wish you would The smell of hospitals in winter
And the feeling that it's all a lot of oysters but no pearls
All at once you look across a crowded room
To see the way that light attaches to a girl And it's one more day up in canyon
And it's one more night in Hollywood
If you think to come to California
i wish you would I drove up to Hillside Manor sometime after two am
Talked a little while about the year
I guess the winter makes you laugh a littler slower
Makes you talk a little lower
About the things you could not show her And it's been a long December
And there's reason to believe maybe this year will be better than the last
I can't remember the last time I tried to tell myself to hold on
To these moments as they pass And it's one more day up in the canyon
And it's one more night in Hollywood
It's been so long since I've seen the ocean
I guess I should
