I Don't Mind

Phantom Planet

My eyes go where I say so but not always
And not when you walk by
And my feet move where I tell them to
But not when they are chasing after you
And now I just don't know what I should do
I'm twisted all around like some cartoon
But I don't mind, no I don't mind
Just stay close by like all the time
'Cause either I bleed dry or keep this thorn in my side
But I don't mind
On all fours on a hotel floor
My closest hand was halfway 'round the world
And my room's key now belongs to me
It cut my eye as I wiped at my face
While tryin' to move some heavy stuff away
Now I'm bleeding in an unfamiliar place
Guess I don't mind, no I don't mind
As I lay down to sleep the night
I gave a call to the crisis line
But I don't mind
I spun the Tucker Telephone and I turned my eyes to bone
I kept dialing your number but you were not at home
You're not alone and now I just don't know what I should do
I'm twisted all around like some cartoon
But I don't mind, no I don't mind
Just stay close by like all the time
'Cause either I bleed dry or keep this thorn in my side
But I don't mind
'Cause either I bleed dry or keep this thorn in my side
But I don't mind
