

Creature Comforted (live)

Local H

All the Thai food and the Must See TV
Yeah
Keeps ya subdued and unable to breathe
Yeah
Chase a carrot stick in your Volkswagen Bug
Yeah
All the limp dicks and their virility drug
And the Chinese pugs
Yeah
Hey, come one, we're all defanged and declawed
We're creature comforted
Don't need anything, we all get what we want
And we want
Hey, come one, we're all defanged and declawed
We're creature comforted
Don't need anything, no there's nothing at all
And you're tucked in tight, you sleep alright, and you won't bite
We're all defanged and declawed
It's the satellite, and your DVD
Yeah
It keeps you inside, it keeps you off of the street
Yeah
And the payments: payments keep you alive
Yeah
Self ????, it gets you on anytime
America Online
Yeah
Hey, come one, we're all defanged and declawed
We're creature comforted
Don't need anything, we all get what we want
And we want
Hey, come one, we're all defanged and declawed
We're creature comforted
Don't need anything, no there's nothing at all
Like dominoes in neat little rows, you are what you owe
Yeah
Yeah
Hey, come one, we're all defanged and declawed
We're creature comforted

Don't need anything, we all get what we want
And we want
Hey, come one, we're all defanged and declawed
We're creature comforted
Don't need anything, no there's nothing at all
And it keeps you down in Surround Sound until you drown
We're all defanged and declawed
Declawed
Declawed
We're all defanged and declawed
Declawed
Declawed
