

Sweat of the Bud

Static-X

GoGo

GoNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the outNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the goGo

GoNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the outNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the outNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the outNot enough to sweat of the bud

In search of means to the end

Givin' up all in need of none

And I'm lookin' in from the goGo

Go

Go
