Great Awakening

Rise Against

Buried words
Under lights
Soundtrack to this stagnant life
This meaning lost in translation
Message sucked out of his hands againThis could be my great awakening
But how would I know
'Cause it's all noise to me
Are these words falling on deaf ears?
Staring at the empty stares
Realize that he no longer cares about the wrong or right
The downward spiral begins tonightAnd this could be my great awakening
But how would I know 'cause it's all noise to me
Are these words falling on deaf ears?
This could be my great awakening
But how would I know 'cause it's all noise to me
(Nothing I can do will make you hear)
