

# 'Tain't No Sin

Tom Waits

When you hear sweet syncopation  
And the music softly moans  
It ain't no sin to take off your skin  
And dance around in your bones When it gets too hot for comfort  
And you can't get ice cream cones  
It ain't no sin to take off your skin  
And dance around in your bones Just like those bamboo babies  
Down in the south sea tropic zone  
It ain't no sin to take off your skin  
And dance around in your bones When you hear sweet syncopation  
And the music softly moans  
It ain't no sin to take off your skin  
And dance around in your bones When it gets too hot for comfort  
And you can't get ice cream cones  
It ain't no sin to take off your skin  
And dance around in your bones Just like those bamboo babies  
Down in the south sea tropic zone  
It ain't no sin to take off your skin  
And dance around in your bones
