

# Whirlwind

Donovan

A whirlwind came into my life and he tried to rescue me  
Will you come, will you go, will you tell seriously  
Twisting burning, my thoughts turning, back to you again  
Sweet thing, take me to the end  
You'd better dig and take a look inside yourself  
So the story goes, and so I've heard it said,  
That you left your land, to trade for a place,  
So far away, so out of date, that only you could understand  
And at the ceiling of my feeling, backed up against the wall,  
Sweet thing, you know I'd fall in line  
You'd better dig and take a look inside yourself  
She wants to be free

I want to know  
She wants to be free  
I want to know  
yeah

A whirlwind came into my life and he tried to rescue me  
will you come, will you go, will you tell seriously  
Twisting burning, my thoughts turning, back to you again  
Sweet thing, take me to the end  
She wants to be free  
I want to know  
She wants to be free  
I want to know  
yeah
