Just cuz

Uptown XO

Yeah, Redzone
Tamar, back at'chu
Uh-huh, what? uh uh uh
1 - Just because I'm here with you
Don't mean that I'm feeling you
Because I spend my time with you
Don't mean that I'm into you
Just because I spend your loot
Don't mean you tell me what to do
Stop calling me, stop paging me
I'm sorry that you're sprung on me
You've been acting like a fool
Since I got with you-ooh
Now you don't know what to do
Cause I put that thing on you
Thought that you would be good
Boy you need to check yourself
Before you be by yourself
I understand you're sweatin' me
But you know you ain't gotta be
All up in my face, oh
Repeat 1 (2x)

Boy you should check your game
Cause my feelings ain't the same
Not in my house, spending days
Till we get this problem straight
But I do appreciate
You always knew the deal
But I gotta keep it real
No room for a new romance
Thought you would understand
That you'll never be my man
You should you know
That you're no use
So don't you come to me and you
Don't call my phone
Stop paging me all night long
Cause I don't need you anymore

Just because...
Repeat 1 (2x)
99 Redzone, Tamar wassup, uh-huh Tamar
