Just a Gigolo

Thelonious Monk

I'm just a gigolo

Everywhere I go

People know the part

I'm playingPaid for every dance

Selling each romance

Oh, what their saying There will come a day

And youth will pass away

What will they say about me? When the end comes I know

They'll say just a gigolo

Life goes on without meI'm just a gigolo, everywhere I go

People know the part I'm playing

Paid for every dance

Starting each romance

Oh, what their saying And there will come a day

And youth will pass away

What will they say about me? When the end comes I know

They'll say just a gigolo

Life goes on without me'Cause I ain't got nobody

Oh, and there's nobody cares for me

There's nobody cares for meI'm so sad and lonely

Sad and lonely sad and lonely

Won't some sweet mamma

Come and take a chance with me

'Cause I ain't so badAnd I'll sing out, sweet love songs

All of the time

She will only be, only be

Bip bozadee bodzee bop le bopI ain't got nobody

Oh, and there's nobody cares for me

There's nobody cares for meHummala bebhuhla zeebuhla boobuhla

Hummala bebhuhla zeebuhla bopI ain't got nobody, nobody

Nobody cares for me

Nobody, there's nobody cares for me

I'm so sad and lonely

Oh lonely, oh lonely, lonely Won't some sweet mama come and rescue me

'Cause I ain't so badAnd I'll sing out

Sweet love songs all of the time

She will only be, only, only, only only be

Baby, sugar darlingI ain't got nobody baby

And there's nobody, there's nobody

There's nobody there's nobody
