Voodoo

Adam Lambert

Moon shine on the bayou

Love shrine break the taboo

I wanna know what's in your potion

Bound by total devotionI was lookin' for love all over

You're the hunter and I'm your prey

Now I'm lost in a lover hangover

I try to leave but I have to stay'Cause it's voodoo voodoo (under your spell)

'Cause it's voodoo voodoo voodoo (under your spell)Swamp sings over the bazaar

Snake bites aligning stars

I'm in rapture there is no cure

No sanctuary from your allureI was lookin' for love all over

You're the hunter and I'm your prey

Now I'm lost in a love hangover

I try to leave but I have to stay'Cause it's voodoo voodoo (under your spell)

'Cause it's voodoo voodoo (under your spell)'Cause the voodoo you do

Is all that can do

To make me into your fool

'Cause when you do voodoo

I'm just like a doll

That pins keep pushing into So every time I try to break this trance

I'm almost afraid I'll miss my chance

To be bewitched by the bayou

I just gotta say I want your hex

I don't want to live without your hex

I'm so obsessed with your sexiness ,yea'Cause it's voodoo voodoo (under your spell)

'Cause it's voodoo voodoo (under your spell)'Cause it's voodoo voodoo (under your spell)

(So every time I try to break this trance

I'm almost afraid I'll miss my chance

To be bewitched by the bayou)'Cause it's voodoo voodoo voodoo

(I just gotta say I want your hex

I don't want to live without your hex

I'm so obsessed with your sexiness)
