

After Hours (feat. DOM KENNEDY)

Glasses Malone

Advisory - the following lyrics contain explicit language:

'Cause OPM is the label that pays me
And I'm not tryna have another baby
So now I strap up even if she extra pretty
If you ever in L.A. sometime, that's our city
My number starts with 323 like a G
If you ain't tryna give me no pussy then I'ma leave
