

# Karaoke Song

## Sister Hazel

Everybody needs a go-to karaoke song  
The one that makes you sing along  
So take a sip of courage and just get up on that stage  
Forget about your worries and just let the music play  
Everybody needs a go-to karaoke song  
Bobbie Joe was a head cheerleader  
Fifteen years, then another man who leave her  
Tonight she let her hair hang down  
She's up there singin' "Funky Town"  
Barry came down from New York City  
He's singing "In Color" and it isn't very pretty  
He wants to fit in but it's all right  
You can't tell him he ain't Jamey Johnson tonight, no, no  
Everybody needs a go-to karaoke song  
The one that makes you sing along  
So take a sip of courage and just get up on that stage  
Forget about your worries and just let the music play  
Everybody dreams of a packed house with a spotlight on  
It don't matter if you get the words wrong  
Everybody needs a go-to karaoke song  
Best version of "Free Bird" tonight  
Is by Tattoo Dave with a little help from his wife  
You can't get a drink 'cause the waitress is dreaming  
She's up there singing "Don't Stop Believing"  
Don't stop believing  
Everybody needs a go-to karaoke song  
The one that makes you sing along  
So take a sip of courage and just get up on that stage  
Forget about your worries and just let the music play  
Everybody dreams of a packed house with a spotlight on  
It don't matter if you get the words wrong  
Everybody needs a go-to karaoke song  
The one that makes you sing along  
So take a sip of courage and just get up on that stage  
Forget about your worries and just let the music play  
Everybody needs a go-to karaoke song  
A go-to karaoke song
