

# When Love Calls

Pauline Henry

Hey hoo yeah  
Ooh, ooh, yeah, whoa, whoa, yeah, yeah  
Yeah Here I stand with open arms  
Im offerin my love to you  
I wanna do for you  
All the things that you want me to Theres so much more  
That I could do for you, yeah  
But you just wont let me give you my love, boy  
What is wrong with you? Dont you know when love calls, yeah  
Youd better answer  
(Youd better answer)  
Cause it might be a big mistake  
If you decide to hesitate Oh, when love calls, yeah  
Youd better answer  
(Youd better answer)  
Dont let it slip away too many times  
Cause love may not ever come again Oh, no  
Oh, no I know that your heart is into playin the field  
And that blinds you  
Baby, you cant see  
The forest for the trees, no no The candle in my heart  
Burns slowly every day  
Dont you mess around too long  
And let it melt away And Im tellin you when love calls, yeah  
Youd better answer  
(Youd better answer)  
Dont let it slip away too many times  
Cause love may not ever come again True love is so hard to come by  
Its precious and its rare, yeah  
But Ive got a lot of it to give  
Dont miss out, dont you dare Just this time  
Come on and see it through, oh  
Im willing and waiting  
But its all up to you, oh When love calls, yeah  
Youd better answer  
(Youd better answer)  
Dont let it slip away too many times  
Cause love may not ever come again Youd better listen, yeah  
(Youd better listen when love calls, baby)

(Youd better listen when love calls your name)Im callin your name  
(Youd better listen when love calls, baby)  
(Youd better listen when love calls your name)Youd better listen when love calls, baby  
Youd better listen when love calls your name
