

Someone

Red Hot Chili Peppers

Someone, there are no worries for someone
Life's in no hurry for someone
There are no worries for nothing major or too complicated
Just a friendly wager that we orchestrated for someone, someone
Cut my heart out with a feather and put an end
to any extra pressure
For someone, there are no worries for someone
Life's in no hurry for someone
There are no worries for
Ride around on mellow waves of mercy
And fill the space with lack of controversy for someone, someone
Set it up to follow you on my aeroplane
Here's a present for the future memory lane
Someone, there are no worries for someone
Life's in no hurry for someone
There are no worries for
Light it up, the room
She sang into any twane
In the month of June
I'll be a moth to your flame
Someone, there are no worries for someone
Life's in no hurry for someone
There are no worries for me
For me, for me, for me
